

48th Annual Scientific Meeting of ESCI, Utrecht, 30 April-3 May 2014

Programme at a glance (10 april 2014)

Wednesday 30 April 2014	Thursday 1 May 2014	Friday 2 May 2014	Saturday 3 May 2014
	8.30 - 12.30 workshops	8.30 - 12.30 workshops	08.30 - 10.00 Plenary session 10.30 - 13.30 workshops
	(coffee break 10.00 - 10.30)	(coffee break 10.00 - 10.30)	(coffee break 10.00 - 10.30)
	Cardiology: Regenerative medicine in CV disease	Cardiology: Gender disparity in CV disease	08.30-09.00 Plenary session: Clinical Science Award
	Phagocyte Biology: trafficking of leucocytes	Phagocyte Biology: emerging new mechanisms controlling phagocytes	09.00-09.30 Plenary session: Basic Science Award
	Mitochondria: Mitochondria in Life and Disease: An introduction	Mitochondria: from the basics to the clinic I	09.30-10.00 Plenary session: Presidential Lecture
	Rheumatology: novel biomarkers and genetics of rheumatic diseases	Rheumatology: novel aspects of the patho-mechanisms of gout and auto	Cardiology: Imaging in CV disease
	Hypertension and Cardiovascular disease: Cardiovascular risk factors and risk assessment	Metabolic Aspect Liver, and Gut: Highlights in Translational Research	Phagocyte Biology: therapeutic strategy: antibody therapy and phagocytes
			Mitochondria: from the basics to the clinic II
			Rheumatology: spondyloarthropathies and Th17 cell differentiation
	12.30 - 13.30 Lunch	12.30 - 13.30 Lunch/ Business meeting ESCI	13.30 end of congress
	13.30 - 17.00 workshops	13.30 - 17.00 Plenary Joint session:Regenerative Medicine	
	(coffee break 15.00 - 15.30)	(coffee break 15.00 - 15.30)	
	Cardiology: cardiac repair strategies	13.30-14.00 Embryonic development of hematopoietic stem cells implications for clinical use	
	Phagocyte Biology: phagocytes balancing immune system	14.00-14.30 Musculoskeletal biology	
	Rheumatology: spondyloarthropathies; cardiovascular risk in autoimmune disease	14.30-15.00 Metabolism and Cardiac Regeneration	
	Workshop Metabolic Aspects, Liver, and Gut jointly with Workshop Mitochondrial disease: Multidisciplinary aspects in Obesity, Diabetes & Nutrition	coffee break 15.00 - 15.30	
		15.30-16.00 A high throughput toolbox for tissue engineering , a need for new technology platforms	
		16.00-16.30 Lgr5 stem cells and regenerative medicine	
	Hypertension and cardiovascular disease: New treatment options in hypertension	16.30-17.00 Ethics from bench to bedside and plenary discussion	
17.00 - 18.00 Registration	17.00 - 19.00 Poster Session	17.00 - 19.00 Poster Session	
18.00 - 19.30 Plenary session		19.30 - 22.00 Congress Dinner	
18.00 - 18.30 Opening Ceremony			
18.30 - 18.45 Mayor Utrecht			
18.45 - 19.00 History of ESCI			
19.00 - 19.30 Plenary Lecture: Albert Struyvenberg Medal			
19.30 - 21.30 Welcome Reception
